

news from concord children's center

In the fall of 2010 we will celebrate thirty five years in Concord. Over the past year we have reached some important milestones that we want to share with you and your family.

We received a Ten Year Lease for our two Ripley Classrooms

After 25 years as tenants of the town of Concord at Ripley we now have a 10 year lease, giving us the opportunity to make capital improvements to our pre-school classrooms.

We have been given the use of a third classroom at Ripley where we will develop an infant and toddler classroom that will open in September 2010

Since 2002 when we opened our new West Concord building we have dreamed of bringing infant and toddler care to our Ripley community. In the fall, we will be asking the town to extend the ten year lease to our new infant toddler classroom.

We are celebrating our teachers who have returned to school to complete their Bachelors or Masters Degrees in education and early childhood

Diane Krug CCC 30 Years, Jeanne Connolly CCC 25 years, Jen Ward CCC 13 Years, Kerrie Briguglio CCC 11 Years, Kathy Manero CCC 10 yrs, Tanaya Carvahlo CCC 3 yrs, Marcella Janic Bean CCC 3 years. Many more of our teachers have taken advantage of professional development opportunities, continuing our tradition of professional excellence.

We have begun improvements to the Ripley outdoor space and are planning a "Natural Playscape" to be built in 2011

These improvements are part of our overall plan for improving our Ripley Program site, inside and out. The "Natural Playscape" will create a space designed to connect all children to the environment, in an accessible and enriching fashion.
